

## CISCA MEET THE VENDORS MEETINGS

**Tuesday, March 24<sup>th</sup> 2020 from 12:00-1:30**  
Skyview Room, Bally's Las Vegas

CISCA is once again offering a lunchtime "Meet the Vendors" event at our Convention. "Meet the Vendors" offers an opportunity for one-on-one meetings in a low-key setting without the distractions and expense of mounting and staffing an elaborate trade show display.

Meet the Vendors offers to attendees:

- Exclusive access to convention participants without the "hype"
- Opportunity to connect with established business partners as well as evaluate potential new partnerships
- Attendees may either stroll the room or schedule a dedicated appointment time. Walk-ups from 12:00-1:00, appointment availability from 1:00-1:30

The purpose of this event is intended as a meet-and-greet only. Please only bring along what you can easily carry to your table. We discourage use of signage, large product displays, samples, and other structures.

Meet the Vendors is an easy, proven way for you to take advantage of your CISCA affiliation to reach your target market. Please sign up today.

**Space is limited** so first preference will go to sponsors, then manufacturers, distributors and then service associates, based on available space. You must be a CISCA member to participate.

Please confirm your participation so we can add you to the website.
