

TOPIC: High Design Demands on Short Lead Time

This USG-hosted contractor Lunch & Learn presentation will provide participants with a 360-degree view of the Ceilings Plus® Design Solutions product offerings, with an increased focus on contractor's most frequently asked questions.

Design Solutions is a modular, quick-to-order, and quick-to-ship specialty ceiling collection; simply put, these are pre-engineered versions of our most-specified custom ceilings made available in 8 weeks or less.
