

WELCOME TO OUR NEW MEMBERS

Gmb Architectural Sales

gmb architectural sales promote high-performance acoustical, structural, and architectural finishes to the construction community of Texas, Oklahoma, Kansas, and Western Missouri. Our team partners with American made manufacturers who meet the top criteria of innovation, design excellence, sustainability and commitment for our clients.

Mechasys

A team of engineers and contractors developed together an innovative laser

projector that displays construction plans in real scale directly on construction sites. Project construction drawings are displayed on floors with an accuracy of 3 mm. Workers no longer need to draw plans on construction sites.
