

Glass Reinforced Gypsum

A Guide

Table of Contents

- I** Introduction
- II** History of Product
- III** Fabrication of the Product
 - A. Raw Materials
 - B. Product Testing Criteria
 - C. Fabrication
 - D. Tolerances
- IV** Design Criteria
 - A. Corners
 - B. Draft Angles and Reveals
 - C. Finish
- V** Shipping
- VI** Field Checking Measurements
- VII** Jobsite Installation
 - A. Receiving & Storage of Material
 - B. Installation Procedures
 - C. Auxiliary Materials
 - D. Joints
 - E. Erection Tolerances
- VIII** Quality Assurance
- IX** Conclusion
